

# HANOVER CHURCH OF THE BRETHREN

## YOUTH ACTIVITIES for GRADE 6 - GRADE 12

The youth will be helping with POLAR BLAST VBS. We thank you all for your ENERGY. Please invite your whole family to be with us for the celebration luncheon on Sunday, June 24. Thanks.

The offering for Polar Blast will once again help to support our Compassion Child Naicka. Maybe you and your family can help our groups (the Penguins, Walruses and Polar Bears) by contributing to your favorite group to help that group win the special prize this year. All monies will be counted and the winner announced at the luncheon.
