Offering Meditation: unison

Father, You have given us many blessings. We come to You today in thanksgiving and our hearts look heavenward. You have given us even more than we need. You have given us eyes to see your beautiful creations, a nose to smell the scent of the flowers, ears to hear the birds humming so sweetly in the morning. You have given us the hands to touch the lives of many. For all these gifts You have showered upon us, we offer to You these simple presents. May they be put to good use of the community. You have showed us what it means to be generous and we want to pay it forward to and through our church. You have taught us what it means to be Your children, and we thank You! In Jesus' name and to His glory, Amen."
